

PRODUCT OWNER at SONIC

Can you lead Sonic in its digital transformation?

OUR DNA

Sonic Equipment is the specialist in high-quality hand tools, filled toolboxes and premium storage solutions. Founded in 2004 and now a leading brand with sales in more than 65 countries worldwide. In addition to Automotive, Sonic is active in the Agriculture, Truck, Industry, Aviation and (Motor)cycles sectors. Our goal is to provide the perfect solution for technical professionals, always with the right balance between design, quality and price. Inspiring technicians with confidence and enabling them to excel in their daily job with joy and satisfaction.

We are a fast growing company with exciting future plans and see ourselves as a progressive company with a strong position in the market for professional tools. We want to make big steps in the digital field in the short term and we need you for that. You have all the knowledge to make our digital transformation a success, together with the other team members.

YOUR JOB

As a Product Owner you are responsible for the automation of all substantive processes: from e-commerce to logistics. We are going to implement amongst others a new WMS and Commerce systems, so there is plenty to do. You communicate effectively, are comfortable in coordinating and collaborating with all stakeholders within and outside the organization. You know which course to take and know how to take your new colleagues into account.

WHAT'S ON YOUR RESUME?

- You have at least a higher professional education working and thinking level.
- You have at least 6 years of relevant work experience, of which 4 years as a Product Owner.
- The words open, communicative, independent and proactive fit you perfectly.
- You have experience with various WMS, Commerce and/or ERP systems.
- You have experience with digital transformations.
- You like an ambitious and driven environment and you are a go-getter who can and wants to work in a hands-on role.
- You speak and write fluent Dutch and English.

BENEFITS

- You become an important part of a fast-growing company.
- A challenging job in a young and informal organization.
- All the freedom and responsibility to make it a success.

- Laptop, telephone and everything you need to do your job properly.
- A close-knit and pleasant team with a healthy work drive.
- And of course a good and appropriate salary for all the knowledge and experience that you bring with you.

YOUR APPLICATION PROCEDURE

You apply by sending your CV full of work experience and a motivation that we cannot say no to HR@sonic-equipment.com. We will look at your application carefully, within 7 days you will know if you are invited for an interview.

- The first meeting: Let's get to know each other!
- The follow-up interview: Enthusiastic after the first interview? Then we will discuss the content in a second meeting. We are happy to explain the position and the team.
- Contract proposal: We try to make you an offer that you cannot refuse!
- Welcome to the winning team: We'll put a note under the contract and welcome you to Sonic Equipment.
